GENERAL OBLIGATIONS, RESTRICTIONS & PROHIBITIONS

1. No part of the condominium property shall be used for any purpose except housing and the common recreational purposes for which the condominium property was designed. Each unit shall generally be used as a residence for a single family, its servants and guests. No portion or all of any unit may be used as a professional office whether or not accessory to a residential use except with the express written consent of all of the unit owners and the Board of Directors of the Association.
2. No industry, business, trade, occupation or profession of any kind, commercial, religious, political, educational or otherwise, designated for profit, altruism or otherwise, shall be conducted, maintained or permitted on any part of the condominium property except with the consent of all the unit owners and the Board of Directors of the Association.
3. There shall be no obstruction of the common elements nor shall anything be stored in the common elements without prior consent of the Board of Directors except as herein or in the by-laws expressly provided. Each unit owner shall be obligated to maintain and keep in good order and repair his own unit in accordance with the provisions of the Condominium Declarations.
4. Nothing shall be done or kept in any unit or in the common elements that will increase the rate of insurance on that portion of the condominium property insured by the Association, without the prior written consent of the Board of Directors of the Association. No unit owner shall permit anything to be done, or kept in his/her unit, or in the common elements which would result in the cancellation of any such insurance, or which would be in violation of any law. No waste shall be permitted in the common elements except where provision is made.
5. No noxious or offensive activity shall be carried on in any unit, or in the common elements, nor shall anything be done therein, either willfully or negligently, which may become an annoyance or nuisance to the other unit owners or occupants. No unit owner shall make or permit any disturbing noises in his individual unit or in the common areas by himself, his family, servants, employees, agents, visitors and licensees, nor do or permit anything by such persons that will interfere with the rights, comforts, or convenience of other unit owners. There shall be no running or jogging in any of the halls, nor shall children be allowed to run or play in stairwells, play with elevators, or run in the common pool area.
6. Nothing shall be done in or to the common elements which will impair the structural integrity of any unit or which would structurally change any of the units.

7. Nothing shall be altered or constructed in or removed from the common elements except upon written consent of the Board of Directors of the Association.

LEASING/RENTING

8. No unit shall be used or rented for transient, hotel or motel purposes. However, a unit owner has the right to rent or lease his unit for a period of not less than one (1) year, unless the Board of Directors approves otherwise. A violation of this rule will result in a fine against the unit owner of \$1,000. Further, as security, the unit owner will be required to post \$1,000 cash with the Association prior to the occupancy of his/her unit by the tenant. The \$1,000 will be held by the Association, in escrow, in a non-interest bearing account. If, at the expiration of one year, the same tenant still occupies the unit; the Association will refund the \$1,000 to the unit owner. If a violation of this rule results from a tenant abandoning the unit prior to the expiration of one year, the \$1,000 deposit will be deemed forfeited to the Association. Unit owners will be required to post \$1,000 in the manner described above at the commencement of each lease to a new tenant, whether or not previous deposits have been refunded. The Board of Directors may refund a \$1,000 deposit even if this rule has been violated, provided the unit owner shows good cause, which determination will be made by the Board of Directors on a case by case basis, and which determination will be at the sole discretion of the Board of Directors. All renters are to be furnished with copies of the Rules and Regulations, and amendments thereto, as well as pertinent Condominium Charter provisions, by the owners of the respective leased units. As required by Section IX-1 of the Condominium Declaration, the owner shall include a provision in the lease that the lessee agrees to abide by and comply with all of the terms and restrictions of Condominium Declarations and the Rules and Regulations of the Association and shall provide that the Association shall have the authority to act as the owner's agent in enforcing any compliance with either the terms of the lease or the Rules and Regulations of the Association. Unit owners leasing units shall furnish to the Manager a duplicate original or a true executed copy of all leases in effect or to become effective. Said leases shall contain a list of the names of all occupants who are to reside in said unit during the term of the lease. After review by the Board of Directors, said leases shall be filed in the Manager's office unit file.

TUBS

9. Jacuzzi tubs, whirlpool tubs, hot tubs and similar types of tubs are prohibited in the individual units.

BARBEQUE GRILLS

10. Individual barbeque grills or fires of any type are not permitted on balconies or patios or in the pool area. Communal gas barbeques are located in the pool area. Turn off the lights and the gas and clean grill (while still hot) after use. Brushes are available at each grill.

LINT TRAPS

11. Lint traps are required on all washing machines and lint filters are required on all clothes dryers. First floor dryer vents are required to have a motor operated blower, which is to be maintained by the unit owner. This is necessary to avoid blockage of sewer lines and/or dryer vents to eliminate fire hazard. Lint collected shall be disposed of in the trash. Residents should check drain under washer periodically.

PLANTS AND PATIOS

12. Patio furniture and plants may be placed on balconies or patios provided that same are maintained in an attractive manner. The use of balconies and patios for storage of any type, including bicycles, or hanging of laundry, or other unsightly use is prohibited.

13. Any unit owner wishing to plant flowers, trees or shrubs within the common elements must obtain written permission from the Board of Directors before doing so.

NOTICES

14. Only notices pertinent to owners and residents issued by the Manager or the Board of Directors shall be placed on or appear on the entrance directories or bulletin boards adjacent to the mail boxes. No personal or business cards or advertisements or announcements are to be placed or affixed thereon or adjacent thereto, or in any of the common areas, except as otherwise authorized by the Condominium Documents.

MOVING

15. Owners and/or lessees must obtain a permit from the Manager prior to moving in or out. Moving in or out shall be permitted Monday through Friday only, holidays excluded, unless authorized by the Board in special circumstances and between the hours of 8:00 a.m. and 5:00 p.m. and only after having complied with the provisions of this Article and Article 8 of these Rules and Regulations, as amended.

Either prior to or shortly after moving into a unit, the prospective purchaser or lessee shall be invited by letter, as authorized by the Board, to meet with the Manager and a member of the Covenants committee at the office to review the Condominium Declaration, Articles of Incorporation and By-Laws and current Rules and Regulations and to review his or her obligations with respect to use of the property, as well as the operations of the Board of Directors, and assessments and liens that can be levied for violations by respective owners or lessees and recorded against the respective units if not paid.

All owners taking possession of units and/or lessees moving into rented units shall deposit a sum of \$200. One hundred of this amount shall be non-refundable to allow for the normal wear and tear to the common areas which occur in moving. The remaining \$100 shall be refunded after the move, provided that no damage to the common areas has occurred in the move.

This deposit will be required when owner or lessee moves out of the building as well. The Manager shall make an inspection immediately prior to and after the move and make note of any damage. The amount shall be deposited by the condominium treasurer in a separate account to be used for the installation, repair and building maintenance of the common elements at the discretion of the Board of Directors.

ALTERATIONS AND RENOVATIONS

16.(a) A unit owner must submit a written request to the Board of Directors before making any alterations, stating work to be done and length of time expected to complete said alterations. Written approval of the Board of Directors, stating work schedule and time allotted must be obtained by unit owner before work is to begin. Extension of time under extenuating circumstances may be granted only by the Board of Directors at its discretion.

Workmen shall be allowed on the premises between the hours of 8:00am and 4:00pm weekdays only.

16.(b) **FLOORING**

The flooring in the living, dining and bedroom areas of second and third floor units of the condominium must have at least 80% coverage of hard floors by rugs or carpets. The purpose of this rule is to minimize the transmission of noise through the floor which could be a nuisance to the resident below.

Management reserves the right to inspect a unit to verify compliance with the flooring rule. Failure of the unit owner to allow inspection within 2 weeks of date of request could result in a ruling of non-compliance with the flooring rule. Failure to comply with the flooring rule could result in a fine of \$100 per month for the first 6 months of non-compliance and \$200 per month thereafter until the Board of Directors is satisfied that compliance with the rule has been achieved. The fine will go into effect 90 days after the Board of Directors issues written notice to the unit owner of violation of the floor covering rule. In the event a unit is not owner occupied, the owner of the unit in question will be held responsible.

17. Awnings must be of the same color, size and shape and properly installed and maintained. See manager for details.

All window dressings (drapes, shutters, blinds, shades etc.) must be in good condition. The lining visible from outside should be limited to light beige or white.

ANIMALS

19. No animals or reptiles of any kind shall be raised, bred or kept in any unit or in the common elements, except that dogs, cats or other household pets, not to exceed two (2) per unit, may be kept in the units, subject to the Rules and Regulations adopted by the Board of Directors provided they are not kept, bred, or maintained for any commercial purposes; and provided further that any such pet causing or creating a nuisance or unreasonable disturbance or noise shall be permanently removed from the condominium property upon three (3) days written notice from the Board of Directors. In no event shall any pet be permitted in the pool area or surrounding area, including the spa, clubroom, and exercise room and no pet shall be permitted in any portion of the common elements unless on a leash. Halls and foyers may not be used for exercising pets. Pets, on a leash, may be walked only from the unit in which they are kept to the nearest exit. No animal over 25 pounds in weight shall be allowed in the condominium. The owner is required to carry a "scooper" when walking pet on grounds of the condominium and must clean up after animal.

Failure to comply with any aspect of the animal rule could result in a fine of \$10 a day for noncompliance until the board of Directors is satisfied that compliance with the rule has been achieved.

CLEANLINESS/WASTE/GARBAGE

20. The common elements shall be kept free and clear of rubbish, debris and unsightly materials, e.g., umbrellas, water bottles, etc. No waste shall be permitted in the common elements except where provision is made.

21. Each unit owner shall keep his unit in a good state of preservation and cleanliness and shall not sweep or throw or permit to be swept or thrown from the doors, windows or balconies any dirt or other substances.

No radio transmission equipment shall be installed or operated in or from any unit, and no outside antennae shall be installed.

25. Use of heavy appliances (washer/dryer/dishwasher) after 10:00 p.m. and prior to 7:00 a.m. is prohibited.

26. Monthly assessments are due on the first of the month and must be paid prior to the tenth day of the month. Pursuant to Section XIII-12 of the Condominium Declaration, dues paid after the tenth of the month will be charged a one time \$25.00 late fee, plus 10 percent (10%) of the amount unpaid as of the last day of each month.
